

CAREERS DAY OUT

2018

EVENT INFORMATION

CAREERS DAY OUT

2018

Event Information

Careers Day Out is one of the largest education, training and employment expos in Northern Victoria, with over 1,300 students attending in 2017.

Our aim is to provide regional students currently undertaking Year 10, with the opportunity to discover the diverse range of careers, education, pathways and employment available across the region.

Now in its 20th consecutive year, Careers Day Out provides students with the opportunity to explore and interact with exhibitors, participate in career orientated activities and hear first hand from those in the industry through industry focused presentations.

Careers Day Out also incorporates the Nyuwandan Gatjabak Indigenous Careers Day to provide more opportunities for Indigenous and Torres Strait Islander students to engage and connect with local training providers, employers and industry groups.

Students can spend two hours visiting various exhibitors and attending interactive workshop sessions.

Exhibitors include TAFE's, Universities, other training providers, industry associations, local industry, employers, employment and support agencies.

Active participation by students, interactive displays and meaningful interaction between students and presenters is encouraged through competitions, give-aways, activities and worksheets to ensure the day is engaging and worthwhile for everyone.

NEW UNDERCOVER VENUE

Benefits of Involvement

Community Contribution

- Young people become better informed about the full range of careers, pathways, local education and employment opportunities
- Young people are given opportunities to make connections, build relationships and potentially build their knowledge around the skills and qualifications required to work in local industries
- Encourage young people to remain in our local region to pursue employment and education opportunities

Exhibitor Participation

Exhibitors are required to actively engage with students by providing activities and stalls that engage students in discussion about their goals and aspirations.

- Promotional items for students - only to be given out once a student has accomplished a task or engaged in a relevant conversation
- Interesting table displays and signage
- Costumes or props - exhibitors might consider dressing up in costume for their stall
- Fun and interactive displays

For student challenge ideas, please contact School Career Advisors Fay Scadden or Mary-Ann Linehan.
