2019

THE FUTURE OF WORK

# CAREERS DAY OUT

2019

## Event Information

### 2019 Details

**Time:** Tuesday 30 April 2019

**Venue:** Multi-Purpose Pavilion, Shepparton Showgrounds

This year is our 21st Birthday at Careers Day Out. Throughout these years this event has been organised by dedicated local community volunteers wanting to make a difference, through education options, career advice and even into employment. Careers Day Out is one of the largest education, training and employment expos in Northern Victoria, with over 1,400 students attending in 2018 and growing every year.

This year Careers Day Out is proudly sponsored by La Trobe University and GOTAFE, helping all regional year 10 students to discover their career pathway, further training options or future employment opportunities.

Our exhibitors this year will be providing interactive displays to provide students opportunities to get involved in hands on activities. With a vast range of exhibitors including TAFE's, Universities, other training providers, industry associations, local industry, employers, employment and support agencies, we are sure the students will not be bored. Oh, and don't forget the Emergency Services scenario display. Watch as Victoria Police, Ambulance Victoria, CFA and Search and Rescue demonstrate their roles through an accident scene.

We want active participation by students through interactive displays, competitions, give-aways, and loads of other activities to ensure the day is engaging and worthwhile for everyone.

## Exhibitor Participation

We ask exhibitors to actively engage with students by providing hands-on activities that start a conversation. Once engaged, they can then discuss their goals and aspirations. So push back the tables and open up your exhibit to allow the students to feel welcome. We want you to enjoy the day and evening as much as our visitors. Feel free to contact us about some ideas for your business to help engage the students.

## Opening Times

**Schools:** 9:00am - 2.30pm  
Year 10's from across the region

**Activation & Innovation Expo:**  
4.30pm - 7.00pm  
Open to the public

2019

## Activation & Innovation Expo

### 4.30pm to 7pm

Building on the success of 2018 evening session, Careers Day Out will once again open its doors to everyone searching for the next step in their career journey.

From 4.30pm until 7pm, the focus will shift towards VCE students wanting information about further study or wanting to find a job, parents looking to re-enter the workforce, job seekers wanting support to find a job, career changers wanting to follow their dream career and anyone wanting to start their own business. Careers Day Out evening session is for you.

We know NDIS is hard to get your head around so we will be providing you loads of information to help answer those questions and connecting you to the right support if you need it.

We will also be chatting to:

Netgain regarding the New Enterprise Incentive Scheme (NEIS) program. This program is designed to assist people who are a job seeker and not in full time education or employment. The program is aimed at researching and exploring all facets of your potential Business idea and putting these into practice.

Also we will chat to a local entrepreneur about how he started his own marketing business right here in the GV.

This year we want to involve the primary and secondary schools in the evening session and have invited them to take part in a number of challenges, testing their skills and creativity with engineering and video competitions.

Shepparton Chamber of Commerce are helping us create the biggest local jobs board you and I have ever seen. If it's a job you need or you are a business with jobs available, make sure you get along and pin it up on our "Jobs in the GV" jobs board.

There will be food and entertainment available on the night so bring the family down and explore what our Goulburn Valley has to offer.

# Packages

## Students & Visitors

We want to allow everyone to come along and enjoy Careers Day Out. This year will be our second year of our Live & Learn Locally three year grant from the Engage State Government Funding which allows the event to remain free for you to attend.

Schools please contact us via email at [hello@careersdayout.com.au](mailto:hello@careersdayout.com.au) to discuss options for assistance with entry fee or bus costs.

If you are a school or you may want to exhibit or sponsor at this event, please register at [careersdayout.com.au](http://careersdayout.com.au) by 22nd March 2019.
